## Communicating with children & young people

Children and young people communicate via telephone, mobile, email and the internet. Do you give permission for children/youth workers to communicate via these methods to your child? E.g., contact via email with changes to the youth meeting times.

I give permission for my child and the youth/children's workers to communicate using:

- Telephone
- Mobile
- Email
- Internet (including social media)

for the purpose of arranging children/youth activities.

(Please delete forms of communication you don't want your child contacted by)
