

PRAYER MINISTRY
(incorporating Healing and
Wholeness)

Praying, Caring, Sharing at
St. Andrews

Do you think prayer is an important part of your daily life?

Do you believe God answers our prayers?

Do you sometimes think it would be good to share with others who accept you for who you are and will never judge you?

Do you long to experience God's healing and to be made a whole person?

Here at St. Andrews we say **YES** to all of the above and we would welcome the opportunity to pray with you.

We now have a **Wholeness & Healing Prayer Ministry Team** consisting of:

Sue Darlow and **Gail Mackley** (Team Co-ordinators)
Sue Gask
Gill Gillespie

Scripture tells us not to be worried or anxious about anything, but rather to pray and to cast all our cares on God because he cares for us.....and this is actually very practical advice.

Most of us live our lives in the fast lane, foot on the accelerator, speeding our way through the mileage of each day as the stresses of modern life place an ever increasing demand upon our time, energy and resources. For many of us, this will eventually take its toll upon our health, relationships and lifestyles. Did you know regular prayer not only develops our spiritual lives but is also a key factor in promoting good health?

Many people say "I'm not very good at praying" but God isn't looking for experts, he knows what we want to say, even before we say it. Nevertheless, he still wants us to talk to him. We can simply tell it like it is. Prayer opens up our lives to God and gives him permission to work in and through our circumstances according to his will.

God wants you to share your life with him and he wants to share his life with you. He cares for you and he has given each one of us the ability to pray and display our trust in him.

IF YOU WOULD LIKE SOMEONE TO PRAY WITH YOU, WE ARE HERE.

Prayer will be available every Sunday morning following the 9.00 am and 11.00am services, in The Chancel area. We are also happy to pray with you where you are sitting, outside the church or in your own home, in fact anywhere that is best for you. Prayer ministry is not limited to Sunday mornings and is available throughout the week at a mutually convenient time and location.

If you know of someone who is ill and would welcome prayer ministry in their home, please do let us know and we will be happy to visit.

Perhaps now it is time to pull over from the fast lane, take your foot off the accelerator, slow down, park and begin to pray. God cares for you and he has given each one of us the ability to pray and show our trust in him.
